Re: Amended April Quarterly Report (01/01/11-04/31/11)
FEC ID C00477356

Dear Mr. Kaye:

In response to your letter dated August 9, 2011 requesting additional information:

1. The increase in reported debt is the result of adding a new item, an invoice from GF Strategies. The committee received the invoice after the end of the April Quarterly reporting period. However, because it was related to a prior election, and while we did not have an invoice or any other writing for this debt during the April Quarterly reporting period, in the interest of better public disclosure, the committee amended this report to reflect the debt in addition to including the debt on the report covering the period in which the invoice was actually received.

Sincerely,

Nancy H. Watkins, C.P.A.
